

# *Curriculum Vitae*

**John H. Fullerton, MD, MRO, CMD, CFP, FACP, AGSF, FAAHPM**  
General Internal Medicine, Geriatric Medicine, Hospice & Palliative  
Medicine, Addiction Medicine, Clinical Forensic Medicine, Medical  
Review Officer Certification (including Clinical Forensic Toxicology),  
Clinical Research Investigator: Clinical Research Division - HHLTD  
Director of Geriatric & Palliative Education  
St. Mary's Medical Center: SMMC, (SF, CA)  
Assistant Clinical Professor of Medicine:  
UCSF & Yale University School(s) of Medicine  
LTC CMD & Certified Hospice Medical Director

**Hampton Health, LTD.**  
Chief Medical Director

1700 California Street  
Suite #470  
San Francisco, CA 94109

Phone: 415.460.5532  
Fax: 415.459.2774

## **MEDICAL LICENSURE:**

California Medical License #G 59000 - Current (08/86-Present)  
Florida Medical License #ME77278 - Current (01/05/99-Present)  
DEA License # BF1781637- Current (08/86-Present)  
Medical Insurance Exchange of California (MIEC- \$1M/\$3M)-(04/91-Present)  
Medical Review Officer License #11-09354 [Medical Review Officer Certification Counsel  
(MROCC)]-Licensed as MRO (2011-Present);

## **BOARD CERTIFICATIONS/CERTIFICATIONS OF ADDED QUALIFICATIONS:**

- American Board of Internal Medicine (ABIM)-Board Certified in Internal Medicine (09/88-Present);
- Forensic Examiners (ACFEI)-Certified Forensic Physician (CFP): (2006-Present);
- American Board of Internal Medicine (ABIM)-Board Certified in Geriatrics (04/94-Present);
- American Medical Directors Association (AMDA) – Certified (CMD: 12/04-Present; Re-cert: 6/10);  
On B.O.D.'s & Elected as the Vice President of the CA Chapter of AMDA (05/12-05/14);
- American Board of Hospice & Palliative Medicine (ABHPM) – Board Certified (01/06-Present);
- American Academy of Home Care Physicians (AAHCP)-Certified (11/03-Present);
- American Board of Addiction Medicine (ABAM)-Board Certified (12/10-Present);
- American Society of Addiction Medicine (ASAM): Buprenorphine (Suboxone) RX Certificate of  
Added Qualifications (CAQ)-(2011).
- Certificate in Advanced Surgical (Deep) Wound Debridement (09/11);
- Medical Review Officer License #11-09354 [Medical Review Officer Certification Counsel  
(MROCC)]-Licensed as MRO-2011-Present;

## **PRESENT ACADEMIC RANK AND POSITION:**

- St. Mary's Medical Center: Director of Geriatric & Palliative Education & Training, Key Clinical  
Faculty, Ethics Committee, P & T Committee, Physician Wellbeing Committee, Controlled  
Substances Committee, & Intern/Resident Selection Committee for the Internal Medicine

**PRESENT ACADEMIC RANK AND POSITION (con't):**

- Residency Program; Primary Attending coverage of the Academic Pain Referral Clinic (2007-Present);**
- **Yale University Medical School: Assistant Clinical Professor of Medicine (04/06-Present);**
  - **UCSF Medical School: Associate Clinical Professor of Medicine (P-09/12);**
  - **USC Keck School of Medicine - Clinical Instructor of Medicine - Dept. of Family Medicine (2009);**
  - **Stanford School of Medicine: Clinical Preceptor (Primary Care Associate's Program: 2001- Present);**
  - **Touro University Osteopathic Medical School (Vallejo/Mare Island, CA): Adjunct Assistant Professor of Geriatrics (2008 – Present).**
  - **American Academy of Family Physicians (AAFP): Clinical Educator Certificate (“Active Teacher in Family Medicine” 2002- Present): San Francisco Free Clinic (SFFC);**
  - **Certified Medical Director (or Certified Hospice Medical Director) for multiple Sub-Acute Rehabilitation, Skilled Nursing Facilities (SNF's), and Assisted Living Facility (with Dementia Care), a Large Quad-County SF Bay Area Hospice, as well as one medically supported Adult Day Care Facility in the SF Bay Area;**
  - **Elected to position of Vice President (VP) 05/12-05/14 Term for CA Chapter of AMDA (CALTCM), B.O.D.'s, & Co-Chair of the Policy & Professional Services Committee;**
  - **California Coalition for Compassionate Care (CCCC): Board of Directors-09/12-Present.**

**EDUCATIONAL EXPERIENCE:**

**College of William & Mary**

Williamsburg, VA

B.S., Biology: 05/80 (Graduated with Honors in Biology)

**University of Miami Medical School**

Miami, FL

Graduated with Medical Degree (MD):05/85

**POST-DOCTORAL TRAINING:**

**Medical Internship: 06-85/06-86**

California Pacific Medical Center (formerly Pacific Presbyterian Hospital)

PO Box 7999/Clay @ Buchanan Street

San Francisco, California 94115 Program Director: John Gamble, MD

**Medical Residency: 06/86-06/88**

California Pacific Medical Center (formerly Pacific Presbyterian Hospital)

PO Box 7999/Clay @ Buchanan Street

San Francisco, California 94115 Program Director: John Gamble, MD

**Chief Medical Residency: 06/88-06/89**

California Pacific Medical Center (formerly Pacific Presbyterian Hospital)

PO Box 7999/Clay @ Buchanan Street

San Francisco, California 94115 Program Director: John Gamble, MD/Keith Martin, MPH, MD, FACP)

**OTHER:**

- **CPR (BCLS) and/or Advanced Cardiac Life Support (ACLS)-certified (06/84-Present)**
- **ACLS Instructor – 1990, 1991**
- **Code Blue Team Leader [over 9 ½ years]-06/88-10/89 & 04/91-07/98**

**AWARDS/HONORS:**

- **Resident of the Year: 1988**  
Pacific Presbyterian Hospital  
San Francisco, California 94115
- **“Dr. John Fullerton and Dr. Patrick Tekeli Day in San Francisco”: 12/14/94**  
Awarded for body of urban under-served hospital-based work in SF, including distinguished service in areas of general internal medicine, geriatrics, HIV/AIDS, Rehabilitation/Addiction Medicine, Hospice & end-of-life (EOL) care, and transplant medicine.
- **“2003 California Physician of the year” (NRCC-Congressional)**
- **“2004 Pioneer of Healthcare Reform” (NRCC-Congressional)**
- **“Consumer’s Report 2007 Edition: Guide to America’s Top Physicians”**
- **“2006 Organization Hero”: SFFC**
- **University of California School of Public Health Organizational Hero Award:  
“2006 Berkeley International Public Health Heroes”**
- **Certificate of Appreciation from Senator Barbara Boxer (March 17, 2006)**
- **Certificate of Recognition by Senator Jackie Spier (March 17, 2006)**
- **Certificate of Recognition by 13<sup>th</sup> District Assemblyman Mark Leno (March 17, 2006)**
- **Business Method Patent: "Method of Delivery of Care for Assisted Living Facilities" co-authored by Dr. John H. Fullerton and Kate McElroy Fullerton was credited with making the "Top 100 Most Inventive List" via the Hampton Health Intellectual Property: Physician Assisted Living Solutions ‘PALS™’ (August 2010)**

**KEY CLINICAL FACULTY POSITIONS, CORE FACULTY POSITIONS, AND ACUTE HOSPITAL PRIVILEGES AND RESEARCH DIRECTOR POSITIONS:**

- **Certified Hospice Medical Director of 4 county > 400 patient Regional Hospice System [Hospice by the Bay-HBTB]-many with underlying Alzheimer’s Disease;**
- **Medical Director/Primary Attending: New Dawn Chemical Dependency (CD) and Eating Disorders (ED) Residential Treatment Centers**

Dr. Fullerton was appointed the **Medical Director & Attending of Record for the New Dawn Eating Disorder/Chemical Disorder Residential Care Unit in SF** (as part of a larger ED/CD state-of-the-art approach to Residential Management of these singly or co-occurring Addiction Medicine disorders).

- **St. Mary’s Medical Center (SMMC)**  
**Department of Medicine: Medical Staff (including Addiction Medicine) Active Privileges, Ethics Committee, Physician Wellness Committee, Pharmacy and Therapeutics Committee, Intern/Resident Selection Committee, Controlled Substances Committee.**

**KEY CLINICAL FACULTY POSITIONS, CORE FACULTY POSITIONS, AND ACUTE HOSPITAL PRIVILEGES AND RESEARCH DIRECTOR POSITIONS (con't):**

**Graduate Medical Education [GME] Dept.: Director of Geriatric & Palliative Education for Internal Medicine Residency Program & Key Medical Faculty**

Fourth Floor

450 Stanyon Street

San Francisco, California 94117

- **Core Teaching Attending in General Internal Medicine/Family & Community Medicine (FCM) at The San Francisco Free Clinic (SFFC): 1999-Present**  
4900 California Street, San Francisco, California 94118 Medical Director – Patricia Hellman Gibbs, MD Staff Clinical Instructor in Primary Care for the local, urban, under-served community (who have no health insurance) – clinically precept (twelve sessions per month) junior & senior medical student primary care clerkships from UCSF, Yale, USC, UCLA, McGill, and Duke University School(s) of Medicine, medical interns and residents from UCSF Medical School, California Pacific Medical Center (CPMC), and Kaiser (SF), and PA/NP students from Stanford University Medical School.
- **Stanford University School of Medicine  
Clinical Preceptor-Internal Medicine/Geriatrics  
Primary Care Associate Program**  
1215 Welch Road, Modular G  
Palo Alto, California 94305-5408
- **University of California, San Francisco School of Medicine  
Assistant Clinical Professor of Medicine @ UCSF  
Department of Medicine: Primary Care Program**  
300 Parnassus Avenue  
San Francisco, California 94143
- **Yale University School of Medicine  
Clinical Instructor: Primary Care Clerkship  
Department of Medicine**  
367 Cedar Street New Haven, CT 06510-8046
- **Marin General Hospital (MGH)  
Department of Medicine: Medical Staff Privileges & Laboratory Liaison Committee Member**  
250 Bon Air Road  
Greenbrae, California 94904
- He has functioned previously for many years as the **Clinical Director (and chief hospitalist)** overseeing numerous medical-surgery wards, including HIV/AIDS, geriatrics, post-transplantation, addiction medicine, acute rehabilitation, general medical/surgical wards, as well as Hospice & Palliative Medicine patients @ **Garden Sullivan Hospital (SF, CA)** and other local facilities. Later he practiced as a **de facto hospitalist at Petaluma Valley Hospital (PVH)** until 2003. He has also served as **Vice Chief (and Acting Chief) of Medicine & Director of Employee Health (for the 4000 employees on the hospital compound)** at the teaching hospital (in conjunction with King Saud University) abroad at

**KEY CLINICAL FACULTY POSITIONS, CORE FACULTY POSITIONS, AND ACUTE HOSPITAL PRIVILEGES AND RESEARCH DIRECTOR POSITIONS (con't):**

the **King Khaled Eye Specialist Hospital {KKESH-Riyadh, KSA}**, where he also functioned as the **Co-Clinical Director of the Research Laboratory, Research Director of the Systemic Manifestations of Ocular Diseases (Hospital-Based Clinic)**, and served as private medical consultant to members of the **Saudi Royal Family (including the Minister of Health)**.

- **Dr. Fullerton has spent the past several years rededicating his practice and academic instruction to developing the Research Division of Hampton Health, LTD in SF with the addition of a well-known Research Coordinator and seasoned Research Assistants. For example, Dr. Fullerton is currently involved as a key Clinical Investigator in the Phase III state-of-the-art Multi-Center Clinical Trials [CT(s)] involving Alzheimer's Disease Research in SF, chosen as a key Clinical Investigator, investigating the clinical utility of making use of the enhanced predictive power of diagnosing SDAT utilizing Brain PET Scans in conjunction with infusions of the Pittsburgh Compound [Florbetapir] to assist in the more accurate diagnostic capabilities and the resultant effects on treatment, prognosis, and impact upon related family members. HHL's Research Team is in discussions with several "new" prescriptive compound pharma companies with compounds used to treat MCI/Early/Moderate AD to determine if there are corresponding imaging "improvements" or "markers" that correspond to clinical improvements found in subjects with presumptive AD utilizing these new and highly sensitive and predictive imaging modalities as outlined.**

**PROFESSIONAL SOCIETIES/AFFILIATIONS/MEDICAL POLITICS:**

- The American College of Medical Toxicology (ABPM)-Member 2012
- The American Academy of Clinical Toxicology (AACT)-Member 2012
- California Association of Long Term Care Medicine (CALTCM)-Appointed to the Board of Directors (for five year term) & serves as Chair of the Policy and Professional Services Committee (2007-2008) and Chair of the Legislative Sub-Committee (2007-2008); Lifetime Member Status; & elected Vice President 05/12-05/14 Term

**450 Stanyon Street**

**San Francisco, CA 94117**

- Ethics Committee, Pharmacy & Therapeutics Committee, Intern/Resident Selection Committee (GME), Physician Wellness Committee, Addiction Medicine/Controlled Substances Committee.

**CLINICAL PRACTICE, INTERESTS, AND ACCOMPLISHMENTS:**

**Clinician Educator and Private Practitioner (utilizing 4 geriatric trained certified physician assistants) in General Internal Medicine, Geriatrics, Addiction Medicine, and Hospice & Palliative Medicine:**

- **San Francisco Office (03/04-Present)**

Clinical responsibilities (including geriatrics) as part of a busy primary care office with PA support.

1700 California Street, Suite 470

San Francisco, California 94109

Co-Founders: John Fullerton, M.D., Kate McElroy, PA-C

- **Marin Office (Aegis of Corte Madera – Certified Medical Director, Geriatric & Preventative Medicine Clinical Director, Assisted Living Program Director 9/03-Present)**

On-site geriatric clinic with local assisted living, Alzheimer's assisted living, house calls, hospice & palliative medicine practice with Physician Assistant support utilizing 4 PA's. Designated as a Stanford, Samuel Merritt, & St Francis Primary Care clinical teaching site for the Primary Care Associates Program and a geriatric training site (including addiction medicine) for St. Mary's Medical Center Internal Medicine Residents rotating in geriatrics.

5555 Paradise Drive, 2<sup>nd</sup> Floor

Corte Madera, California 94925

Co-Founder(s): John H. Fullerton, M.D., Kate McElroy, PA-C

- **San Francisco Office (10/99-3/04)**

Out-Patient and In-Patient clinical responsibilities (including geriatrics) as part of a busy four physician primary care group, practicing adjacent to California Pacific Medical Center (San Francisco, CA).

2100 Webster Street, Suite 416

San Francisco, California 94115

Founder: Allan E. Jackman, MD

**CLINICAL PRACTICE, INTERESTS, AND ACCOMPLISHMENTS (con't):**

- **Sonoma Office (10/01-03/03)**  
Clinical responsibilities (including geriatrics) as part of a primary care practice. Large hospital-based practice in adjacent Petaluma Valley Hospital (Petaluma, CA), while functioning as a “de facto” Hospitalist.  
1456 Professional Drive, Suite 406  
Petaluma, California 94954  
Co-Founders: John H. Fullerton, MD and Stephen L. Steady, MD
- **Hospital-based General Internist (and out-patient medical practice): 04/91-10/98**  
**Hospitalist/In-Patient Manager of the SNF (IDT)-Garden Sullivan Hospital (GSH)**  
**Clinical Director-GSH: AIDS/Acute Rehab/Geriatrics/ Med-Surgery/Addiction/Hospice & Palliative Medicine**  
As part of co-founding and managing an early “hospitalist” physician group-in San Francisco, CA, the responsibilities encompassed Clinical, Educational, Administrative, and Organizational roles, particularly in areas of General Internal Medicine, Geriatrics, HIV/AIDS Medicine, mostly Solid Organ Transplantation Medicine (including the post-operative care of liver, kidney, hearts, and some pancreas/small bowel transplants), Rehabilitation Medicine, In-Patient Addiction & Detox/Rehab Medicine (“Dual Diagnosis”), and in-patient Hospice & Palliative Medicine. While functioning as the “Clinical Director” @ GSH in an active internal medicine residency program, was instrumental in both quality assurance and utilization review. Spearheaded the co-design of clinical guidelines and the general programmatic development for the internal medicine residency program, particularly within the sub-acute facilities in the medical center. Also directed the emergency services (ACLS) response team (the “code blue team”) and credited with co-creating early “methods” for hospitalist care in medically complex patients (e.g.-post-op liver and kidney transplant patients).  
California Pacific Medical Center (formerly Pacific Presbyterian Hospital)  
PO Box 7999/Clay @ Buchanan Street  
San Francisco, California 94118
- **Active Medical Staff (Hospital-Based and Out-Patient): 2001-2003**  
Petaluma Valley Hospital  
400 North McDowell  
Petaluma, CA 94954  
(707) 778-1111
- **Medical Staff : Teaching Attending/Department of Medicine-1999-2002**  
California Pacific Medical Center  
Internal Medicine Residency Program  
PO Box 7999 San Francisco, California 94115  
Chief of Medicine-Martin Brotman, MD, FACP
- **Active Medical Staff**  
**Teaching Attending/Department of Medicine: 1991-1998**  
California Pacific Medical Center  
Internal Medicine Residency Program  
PO Box 7999 San Francisco, California 94115  
Chief of Medicine-Martin Brotman, MD, FACP

**CLINICAL PRACTICE, INTERESTS, AND ACCOMPLISHMENTS (con't):**

- **Medical Attending (Hospital-Based and Outpatient)-Department of Medicine: 10/89-01/91**  
**Vice Chief of Medicine (10/89-08/90)**  
**Acting Chief of Medicine (08/90-01/91)**

The responsibilities encompassed Clinical, Administrative, Educational, and Research roles as part of an active internal medical residency program that included managing patients in the general medical outpatient clinics (including managing the clinic for systemic manifestations of ocular disease), co-directing the employee health/travel health clinics for four thousand (4000) hospital employees, and overseeing the peri-operative medical management of inpatient wards (as a hospital-based physician).

King Khaled Eye Specialist Hospital (KKESH)

Riyadh, Kingdom of Saudi Arabia: Medical Director-Richard Forster, MD

- **Medical Attending-Urgent Care Medical Clinics: 1988-1989**  
Kaiser Permanente Hospital  
99 Monticello Road  
San Rafael, California 94909  
Director-Mollie Caulfield, MD

**COMMUNITY & VOLUNTEER SERVICE:**

- Providing Primary Medical Care/Clinical Precepting at The San Francisco Free Clinic (SFFC) for the urban, underserved patients (who have no health insurance): 1999-present
- Board member – Friends of the Redwoods (A senior Residential Housing/Continuing Care Retirement Community), Mill Valley, California: 10/02-10/03
- San Francisco Opera Physician: 2001 Season
- Candlestick Park Stadium Physician (San Francisco Giants:1988-1990)
- Active local House Call practice (with PA support), including underserved, debilitated, home-bound and Hospice patients
- Red Cross Volunteer (2005) – Hurricane Katrina Medical Relief Team – Baton Rouge, Louisiana
- Key Medical and Geriatric Faculty at St. Mary's Hospital – Clinical Instructor & Geriatric Training Director in this large, urban, underserved, hospital-based general internal medicine, geriatric, addiction medicine and Hospice & Palliative medicine teaching site (Sister Mary Philipa Health Center-2006)

**MEDICAL ADMINISTRATIVE/CLINICAL EXPERIENCE:**

Dr. Fullerton was appointed the **Medical Director (and Attending of Record) of the New Dawn Eating Disorder/Chemical Disorder Residential Care Unit in SF** (as part of a larger ED/CD state-of-the-art approach to the Residential Management of these singly or co-occurring Addiction Medicine disorders). He has also spearheaded the development of Updated Policies & Procedures as well as Clinical Guidelines upon request.

He was named: **Director of Geriatric and Palliative Education & Training and Key Faculty** for the **Internal Medicine Residency Program at St. Mary's Medical Center (SMMC)** in 2006 (SF, CA). He was also the **Geriatric Physician Director of the Inter-Disciplinary Team (IDT) for the fifty (50) resident medically supervised St. Mary's Adult Day Care Health Center (SF, CA) for several years and has clinically instructed SMMC's Hospital-Based Ambulatory Care Clinic routinely for the past six years in**

### **MEDICAL ADMINISTRATIVE/CLINICAL EXPERIENCE (con't):**

**core areas-including addiction medicine.** Dr. Fullerton was appointed part-time **Hospice Medical Director** of a large Quad-County **Hospice by the Bay** since 2009. Dr. Fullerton is currently assisting with implementing within Bay Area urban AL units with innovative “Bio-Medical” models of care and training (**including programs of addiction medicine**) in Assisted Living Communities in the greater Bay Area, augmenting the “medical support of the traditional bio-psycho-social model” as outlined above.

Dr. Fullerton is currently the **Medical Director** for **Aegis of Corte Madera, CA** [a **one-hundred and twenty (120) bed Assisted Living & Alzheimer’s Assisted Living Facility**] for the past ten years. Within this high-end facility, Hampton Health, LTD has implemented the business methods entitled PALS™ [Physician Assisted Living Solutions], providing medical support, mid-level practitioner support, and extending geriatric and palliative and addiction medicine education on-site for: medical students, medical residents, PA/NP students, and nursing students-along with other inter-disciplinary and multi-disciplinary team members.

For several years, Dr. Fullerton additionally has served as the **Medical Director for the fifty (50) bed Healthcare Center SNF portion of the CCRC-model at The Redwoods of Mill Valley (CA)**. He has additionally served the **Medical Director for the ninety (90) bed Country Villa Nursing & Rehab of San Rafael (CVSR-CA)**, as well as the **Medical Director of the roughly two-hundred (200) bed Novato Nursing & Rehab (formerly Country Villa Novato-CVN) over the past several years**. Dr. Fullerton was appointed the medical director of the **fifty-two (52) bed Northgate Nursing & Rehab Center in San Rafael-operated by Foresight**. Dr. Fullerton was formerly the **Medical/Geriatric Consultant for the secured 42 bed Neuro-Psycho-Behavioral (Dementia) Facility-ISL/Windchime-in Kentfield, CA for several years (through 2010) and for the 110 bed San Francisco ALF-AgeSong through 2011**. More recently this year, Dr. Fullerton was appointed the **Medical Director of the 35 bed Belmont Vista SNF in the South Bay as well as Medical Director of the 65 bed Belmont Vista Assisted Living Facility (managed by Nazareth Healthcare, Inc.)**. Dr. Fullerton was likewise appointed (but not yet started) as the **Medical Director of another South Bay facility that is a 45 bed secured Neuro-Psycho-Behavioral Facility near Stanford-Nazareth Classic Care Community-in Menlo Park, CA**. All-in-all, Dr. Fullerton oversees via Hampton Health, LTD 1000’s of LTC beds, including averaging over (>) 350 residents on his clinical teaching service at any point in time.

### **Honorarium:**

- **Boehringer Ingelheim: Speakers’ Bureau-“The Role(s) of Pradaxa in Lone (Non-Valvular) Atrial Fibrillation, particularly in the Long-Term Care Setting;**
- **Novartis: Speaker’s Bureau-“The Role(s) of the Transdermal Exelon Patch in the Treatment of Mild to Moderate Alzheimer’s Disease (and Parkinson’s Dementia)”.**

### **RECENT PUBLICATIONS SUBMITTED TO JOURNALS/MEDICAL TEXT & ONGOING CLINICAL TRIAL(S):**

- **Co-authored a chapter in medical textbook- *Pulmonary Function in the Immunocompromised Host* Robert Fallat, MD and John H. Fullerton, MD  
**Respiratory Disease in the Immunosuppressed Host** (Published-1990, Lippincott)**

**PUBLICATIONS SUBMITTED TO JOURNALS/MEDICAL TEXT & ONGOING CLINICAL TRIAL(S)(con't):**

- **Transdermal Clonidine and the Cessation of Cigarette Smoking:**  
A randomized, double-blinded, placebo-controlled trial of transdermal Clonidine in medically ill patients. Completed and abstract submitted in 1988. Leslie Pederson, MD, John H. Fullerton, MD, and Jeffrey Guttas, MD;
- **Clinical Trial Investigator (Phase III) Multi-Center Study by Avid Radio-Pharmaceuticals RE: “Impact of Florbetapir F 18 (“Pittsburgh Compound”) PET on the Clinical Diagnosis and Clinical Management of Patients with Progressive Cognitive Decline August 11, 2011 – Ongoing; Stephen Bunker, MD, John Fullerton, MD, MRO, CMD, CFP, FACP, AGSF, FAAHPM, et al;**
- **A “Newsline Editorial” peer-reviewed article from CALTCM reflecting: Opposition to the Alquist SB 303 (“NH Patient Safety Act”) re: Mandatory Psychotropic Drug Therapy Consent (and all Black Box Warning Disclosures) Prior to Any Use in the Nursing Home Setting, Even During Emergency Need for Clinical Administration (11/09). John H. Fullerton, MD, CMD;**
- **The Criminalization of End-Of-Life Care and the Emergence of “Clinical Forensic Medicine” (11/10): Published in the Criminal Defense Legal Journal: “The Champion”. James Farragher Campbell, Esq. & John H. Fullerton, MD, CMD, CFP, FACP, AGSF, FAAHPM;**
- **The Role of Appetite Stimulants in Long-Term Care, Including an Update on the Role of Medical Marijuana in Nursing Homes (02/11): Published in the quarterly journal of the CA Chapter of AMDA (CALTCM) called “The Wave”. John H. Fullerton, MD, CMD, FACP, AGSF, FAAHPM. [Editor: Jay Luxemburg, MD, CMD];**
- **AMDA House of Delegates passes the California Chapter's (CALTCM's) Prison Resolution (E 11) co-authored Chairman of PPS Committee by Dr. John H. Fullerton, et al. “Addressing an Unexpected Increase in Long-Term Care Continuum Residents with Criminal/Correctional Histories”;**
- The Report from the Chair [John H. Fullerton, MD, MRO, CMD, CFP, FACP, AGSF, FAAHPM] of CALTCM’s **Policy & Professional Services Committee**; published in the quarterly publication of AMDA’s CA Chapter Journal: **“The Wave”**. Feb 2012. Editor: Jay Luxemburg, MD, CMD.

**MEDICOLEGAL (EXPERT) EXPERIENCE:**

*Over roughly the past twelve (12) years, Dr. Fullerton has provided independent medical expert chart review and, when needed, provided clinical forensic medical testimony in approximately two hundred (200) cases (representing no more than 10% of his professional time). Dr. Fullerton-having reviewed forensically over one thousand (1000) files-has focused his medical expertise in mostly personal injury, medical malpractice, determinations of Medicare Medical Necessity matters, product liability, forensic toxicology cases, trust disputes involving capacity determinations (involving legal insanity and in civil & criminal cases alleging elder abuse-including homicide or manslaughter)-at either discovery deposition or at trial testifying for both plaintiff and defense cases, respectfully.*

*In fact, more recently, Dr. Fullerton has developed a specialized expertise in determining MediCare),*

### **MEDICOLEGAL (EXPERT) EXPERIENCE (con't):**

*medical necessity cases to both “ferret out” alleged fraudulent practices (including billing) in ambulatory care cases (with/without MLP’s), long-term care (LTC) cases (including Medical Director cases), acute hospitals, and national Hospice Medical Director Certification cases, as well as to successfully defend other LTC facility “chains” from false allegations of MediCare/MediCal impropriety, including allegations of Fraud & Abuse, respectively. Dr. Fullerton has been “vetted” by the Department of Homeland Security re: the DOJ/FBI/OIG as a designated Government witness in cases involving allegations of Medicare Fraud & Abuse perpetrated by practitioners in health care facilities accused of being criminal enterprises.*

*Specialty focus and areas of expertise, include: Adult Hospital Medicine (including: medical centers with training programs), Ambulatory Primary Care (including: Internal Medicine, Addiction Medicine, & Geriatrics, with experience instructing and working with mid-level practitioners), Geriatric approaches to Gero-Psychiatry (particularly in Long-Term Care), Treatment of the Immuno-compromised Host, Long-Term Care (including: SNF, Sub-Acute Rehab, Assisted Living-with Secured Dementia Units & LTC Medical Directorships & Hospice Medical Directorships), Hospice & palliative care units, Home Care, and Elder Abuse Defense cases (both Civil and Criminal). Of note, Dr. Fullerton manages many patients with Dementia, including directing multiple secured dedicated units and facilities; in fact, Dr. Fullerton is considered an expert in Alzheimer’s Disease Research, Evaluation, and Treatment. Additional areas of testimonial expertise involve cases re: preventable falls, pressure wounds, pain management, addiction medicine, medical toxicology (including forensic clinical toxicology, Certified Medical Review Officer by DOT for Forensic Drug Testing-including DUI cases), and disputes involving estates/capacity/sanity.*
